Just Ask Yuli

by Yulius Efferven

God huh?

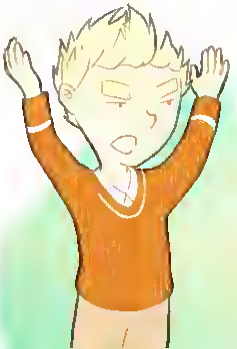
Does this mean that
I have powers?

And what powers are you thinking of?

Hmmm... You know
super-powers like...

...making anything I want happen! Or reading people's thoughts! How about being able to destroy anything I want? A god should be able to do at least that much right?

Well, the thing is... you're currently reincarnated as a human, and unfortunately humans don't have any powers like that



WHAT?? I'm god and then I'm human? What the heck is the point if I don't have powers? Why would I get reincarnated as a stupid human if I was God?

Well that... was your decision.

What?!? That's stupid, there's no way that being human is better than being god. So if I die now do I go back to being almighty and powerful?

Unfortunately, no. You would just get reincarnated as another human.

Then how do I go back to being God and having powers?

Well a certain set of circumstances have to be fulfilled for that to happen.

Well? What are they?

I can't tell you that.

WHY NOT?

It was your decision.

Perhaps you should try a another question, I can't say about God but I wouldn't underestimate what human beings are capable of.

Can I take back my decision?
No
